WELCOME | AMY MARFELL

Welcome to the 2025 Waikato club rugby season!

It is my honour, in the capacity of Chief Executive of Waikato Rugby, to work alongside you all to foster the game in our region. Rugby has been part of the national fabric of Aotearoa/New Zealand for over a century and it is grassroots rugby in this country that is the heart and soul of our game, where passion, community, and talent come together to shape the future of the sport. From the first tackle to the final whistle, it's in our local clubs, schools, and communities that the foundation of New Zealand rugby is built. These environments nurture not only players but also coaches, volunteers, and supporters who embody the spirit of teamwork and dedication. As we work together to continue to build the legacy of the game in our region, it's crucial that we support and strengthen these grassroots efforts, ensuring rugby remains accessible and vibrant for future generations. By fostering a sense of unity and collaboration, we can continue to build a legacy of success, pride, and integrity that will keep rugby in the Waikato thriving for years to come.

A heartfelt thank you goes out to all the grassroots participants and volunteers who dedicate their time, energy, and passion to the game across our Waikato communities. Your unwavering commitment to the sport, whether on the field, behind the scenes, or in the community, is what makes rugby in New Zealand so special. Your hard work and commitment ensures the sport continues to thrive at the grassroots level. We are deeply grateful for your contribution and dedication, and we couldn't grow the game without you.

I wish everyone a safe and successful season ahead. I'm excited to see club rugby in action once again in 2025, bringing to life the unique connections, values, and bonds that the rugby community shares. Equally, the team are enthused to provide the support required by our region's clubs to ensure they continue to thrive in order to provide important leadership to the game.

Yours sincerely,

Dr. Amy Marfell
Chief Executive
Waikato Rugby
